

St. Anthony Council No. 2439

Sublimity

Knights of Columbus

TIM BUTLER, Grand Knight

DEAN ODENTHAL, Financial Secretary

NEXT REGULAR MEETING.
at Anthony HallWEDNESDAY EVENING, JULY 2nd
1980Commences at 8:30, P. M.

As the busy harvest season is approaching, we will hold our meetings a half-hour later. Make every possible effort to attend. The Lecturer and his committee is preparing a good program, with lunch and refreshments you'll enjoy - along with cards. Your Grand Knight's letter, which follows in this Bulletin, tells everything. Hope to see you next Wednesday evening, to help give our esteemed newly elected Grand Knight a "Big Welcome Back!"

Your Esteemed Brother Grand Knight, Tim, writes the following:

"I Have Returned" - No, this is not some great quote, but it is the honor restored upon me to be your Grand Knight again. I hope I can do a better job this time than I did last time.

If we are to succeed as a Council, we must be a functional organization, not depending on a few to get things done, but as a group. The past attitude that someone will take care of it doesn't get it done. We have to function and depend upon ourselves and not someone else.

Quoting our 35th President, John F. Kennedy, "Ask not what our country can do for you, but ask what we can do for our Country". It seems that we all read the opposite of what this means, looking for something of meaning without giving or putting any meaning to what we do or look for. So it is with the Knights of Columbus, we cannot serve without getting involvement from within.

I am still organizing at this time, but will give a detail report of Committees and their functions in the future. If you are interested in being on a Committee, let me know.

Membership (3); Right to Life (3); St. Bridgets; Catholic Education; Christmas Cheer; Memorial Exercises; Breakfasts; Steak Frys; plus there may be more, if needed.

We will have a special Guest Speaker at the July 2nd meeting. Dr. Klass will show and discuss a slide presentation on his trip to the Soviet Union. So try and come.

Our new Lecturer is Gene Butler, his committee Hank Miotke, Charlie Hess and Greg Robl.

The Steak Fry of June 21, was an exceptional Success. Our special thanks to Bud Hance and his family for the assistance and work and to all others that so willingly helped.

July 19th is the next Steak Fry. - - Chairman needed!

Fraternally yours,

/s/ Tim Butler, Grand Knight.
