### Knights' to Christ

#### Patriotism is convincing our nation to respect creation

*When my bones were being formed, carefully put together in my mother's womb... You knew that I was there... you saw me before I was born.*

*Psalm 139:15-16*

A poster on the wall at the Tulsa post office informed citizens that it was a violation of federal law to kill an eagle. Moreover, the law extended its protection to eagle eggs.

How comfortable are you with the nations attitude toward human life? As catholic gentlemen are we to just sit on the sidelines as spectators to this injustice?

*All human life through conception through all its stages-is sacred, because human life is created in the image and likeness of God.*

Saint John Paul the Great

Greetings Sir Knights,

We are planning to limit how often the Knightly News will be sent out to once per year in an effort to cut costs. In place of that we will be relying more fully on the calling post which can be more timely, less expensive, and cover those changes to events that a two month newsletter just can't keep up with. Those that already receive the newsletter by email will continue to do so, but only once per year.

The calling post service is supported by the Knights of Columbus. If you do not currently receive the calling post messages by phone and would like to do so, I suggest you give your name and phone number to Ron Bernt and he will add your name to the calling post list. If you would like to have me give Ron your information I can do that. Send me an email saying that you are a fourth degree Knight and would like to be added to the calling post for the fourth degree. I will forward that to Ron Bernt. My email is [thespottedfox@comcast.net](mailto:thespottedfox@comcast.net) 503-689-6891.

The fourth Degree meetings are scheduled for the third Monday of the month at 730pm at the Columbus Club 725 Shipping St Salem.
